#### Keep Nacogdoches Beautiful Litter Free Festival Event Guidelines

*Keep Nacogdoches Beautiful* volunteers are on hand to help keep the venue tidy during the event and are **NOT** responsible for vendor trash. Vendors who leave their trash behind after conclusion of the event WILL be banned from future participation in any Nacogdoches festivals.

We ask that vendors and groups distributing candy and handouts to help remind visitors that this is a *Litter Free Event*. This message should also be promoted by speakers or costumed entertainers moving among the event visitors. Small wrappers are especially difficult to clean up as they become lodged between the brick pavement and blow into storm sewers, alleys and under vehicles.

Yes, I have read and understand the *Litter Free Festival Event Guidelines*.
